

## PRINCIPAL'S REPORT

Hello everyone and welcome back to Term 4 at Jilliby Public School. Another exciting and action-packed term is ahead of us and I look forward to seeing you at the many events scheduled for this term. At the end of last term Mrs Rebecca Garay was offered an excellent opportunity to further advance her skills and take a temporary position as School Administration Manager at Wyong High School. I wish Rebecca the very best and am grateful to have had the opportunity to work with such a professional and kind individual. She will be sadly missed by us all but I am sure this will be an amazing opportunity for her. Rebecca's knowledge, expertise and patience know no bounds, Wyong High School are getting an AMAZING SAM!!!

We welcome Mrs Melanie James to our school who will fill the temporary full-time role as our School Administration Manager. Mrs James has a wealth of experience in a large local school and is keen to develop her capabilities in this role at our school.

### Robotics

I would like to send out a huge, heartfelt THANKYOU to Tim & Susan Gardiner for the tireless efforts to support the implementation of robotics in the classroom. They gave up their time every week to work alongside our students and enabled them to develop their skills in programming using the EV3 robots. Without their support and dedication our students would not have progressed to where they are. Teachers are now ready to implement them independently in the classroom with the students. K/1 will use the WeDo2 Robots; 2/3/4 will use the EV3 Robots & 5/6 will continue to use the Sphero robots.

## SCHOOL NEWS

### 130<sup>th</sup> Birthday Celebration – Spring Fair

I just wanted to take this opportunity to thank all the people involved in making this day a success. I'm sure we will have a more detailed report from the P & C concerning profits from the event. I was thrilled to see our students perform so nicely and enjoy themselves in the many events on offer. While there were a couple of disappointing issues regarding students being too big to participate in some of the rides, overall it was a great day. The historic room was a credit to the parents who spent time setting it up, and the whole community atmosphere created by the hard work of our P & C and other parents was wonderful. A big thank you also to the staff who jumped in and helped out on the day. Well Done!

### NAPLAN – National Assessment Program - Literacy and Numeracy

Students in Year 3 and Year 5 should have received their NAPLAN results at the end of last term. Please notify the office if you have any queries. Staff are currently analysing the results to allow for planning and teaching in 2020. For further information please visit <https://www.acara.edu.au/assessment/naplan>.

## Events

### Sydney North Athletics

Congratulations to Ashlee Stewart who represented Jilliby Public School at the Sydney North Athletics Carnival last Wednesday. We are very proud of her endeavours in Long Jump where she achieved a Personal Best! What a wonderful ambassador for our school!

## Attendance

When your child is absent from school.

It is vital that information regarding why your child has not attended on a particular day is conveyed to the classroom teacher or the office within seven days of the first absence. For example: if a child is away on Monday Tuesday and Wednesday, the parent needs to advise the school the reason for that absence by the following Monday or the child is marked absent without explanation. This cannot be changed later even if we are notified.

In Term 1 we introduced a system which sends out an SMS notification to parents when their child has not arrived on time or when they are absent. So far this system has been well received and although we have had a couple of occasions where the SMS has gone out in error, overall it has been a success. \*\*\*\*Please note if your child arrives late without explanation you will receive an SMS to remind you to contact the school and give the explanation. You can then call or email to let us know.\*\*\*\*

### GOOD ATTENDANCE TIP:

*Develop good routines: Children NEED routine. These habits are a good foundation that will help children throughout their school life and into the future;*

*Get uniforms, school bag and all school things organised the night before*

*Go to bed at the SAME, reasonable time each night*

*Get up at the SAME time each morning*

*Have breakfast at the SAME time each morning*

*Leave for school at the SAME time each day (be on time!)*

## Child Protection – Term 4

Due to the many interruptions in Terms 2 & 3 lessons for child protection will continue in term 4.

PDHPE is mandatory for all students in Kindergarten through to Year 10. The K-6 and 7-10 PDHPE syllabuses outline the age appropriate content to meet the learning and support needs of students. Research suggests that, if children can recognise abuse and abusive situations and use protective strategies from their early years, then they will have a greater capacity to take appropriate action if they are in uncomfortable or unsafe situations and keep themselves safe. It is also important students learn about power in relationships and develop the skills to build and maintain relationships that are caring and positive.

Balanced child protection education incorporates teaching and learning in three broad themes:

- Recognising abuse

Protective skills cannot be used unless children and young people recognise situations of potential abuse or when abuse is occurring. It is important that students develop knowledge and skills, appropriate to their age and stage, about what constitutes abuse.

- Power in relationships

When discussing power in relationships, particular attention is given to building confidence in relationships which are positive and caring. Skills in establishing and maintaining positive relationships, including accepted cultural practices related to caring touch, are reinforced.

- Protective strategies

With knowledge about positive relationships and about child abuse, children and young people can take appropriate actions if they are in threatening situations. When learning about protective strategies, students are given the opportunity to analyse situations, to identify feelings, and to explore alternative courses of action and their consequences.

## Stage 2 & Stage 3 CAMPS 2019

Reminder: Please continue to finish your payments for the camps this year if you have any outstanding monies.

## Remembrance Day

11<sup>th</sup> November 2019

This Remembrance Day we will hold a small ceremony starting at 10:45 am under the COLA. A short assembly followed by a 1 minute silence will take place. Students may like to wear rosemary pinned to their lapels on this day.

## Rewards Day – Term 3

For the PBL Rewards Day last term, the students enjoyed a visit from the Reptile Park.

At the end of Term 4 students who have achieved their Diamond Badge will be offered the opportunity to attend an excursion. This is still being organised but we are again hoping to do our Pictures, Picnic, Poppers and Pirate Day. Further information around this event will be sent home in a note later in the term.

A huge thank you to the P & C who have been funding our events each term making it free for all students involved.

## LIBRARY NEWS

My name is Nicole Biviano and I am the Teacher Librarian at JPS. The students have been involved with the redecoration and repurpose of our Library. I would like to extend a welcome to all students and encourage them to come in and borrow.

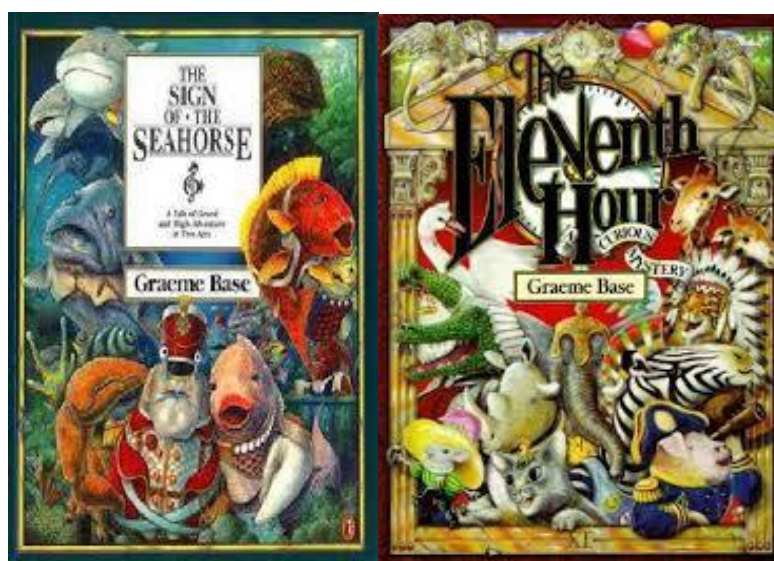

This term library is on a Thursday each week. Stage 1 will be investigating mini beasts while Stage 2 and 3 will be working on developing their research skills.

We have begun using the Worldbook Online app, which has a massive amount of tech-friendly texts to read and we have been using Orbit to find and reserve books in our library.

This week, our featured author is Graeme Base who creates incredibly beautiful illustrations to go with his poetry. We have just received brand new copies of his books 'The Sign of the Seahorse' and 'The Eleventh Hour'. They are just waiting to be snatched up!

Thanks to everyone who has been so welcoming. I look forward to meeting everyone and working with you all throughout Term 4.

Nicole Biviano

CELEBRATING 130 YEARS

*SCHOOL SONG*  
In eighteen eighty nine, over a hundred years ago,  
The old school of Jilliby that we have come to know,  
Crowned them to be the best, the most loved and the best,  
To care for each other in the land in which we live,  
We're proud to say our school's the best and tell you as we sing.

The emblem of our school is the Bunya Bunya Pine,  
Our colours, green and gold are outstanding all the time,  
We are the pupils of Jilliby Public School,  
We learn to read and write and to live the Golden Rule,  
To care for each other in the land in which we live,  
We're proud to say our school's the best and tell you as we sing.

# CANTEEN MENU

## Bunya Bunya Bites

### HEALTHY SCHOOLS CANTEEN MENU

#### Made to Order:

Bunya Bunya Bites is a volunteer run canteen which aims to serve healthy food in line with the NSW Healthy Schools Canteen requirements and raise funds for our school.

Our canteen is open every Tuesday and on Fridays in Term 1 & 4 (for over the counter sales at lunch time only).

Please ensure that all lunch bags are clearly labelled with your child's name and class. We do encourage the use of reusable containers.

Tomato and BBQ sauce are supplied to each class in the lunch basket.

Thank you for your support!

## COMMUNITY ANNOUNCEMENTS

### INTERRELATE – Parents & Children Together!!!

Interrelate empowers people to thrive in the most vital part of their lives – their relationships. They offer education programs, counselling services and skill development. They enable people to transform their relationships into ones that are centred on respect, and we enable people to transform their relationships. Their experienced educators empower more than 90,000 children and families each year to navigate their way through bullying, puberty, sexuality and discovering healthy relationships. They support over 1200 schools to develop informed human beings who will build a tomorrow that is brighter than today. Interrelate has the acknowledgement of government, education and health authorities to provide relationship education in schools. Their anti-bullying and cyber-safety programs have received accreditation from the Office of the eSafety Commissioner. The content has been developed to provide sequential learning while building and enhancing the children's relationship skills. These programs will be delivered by educators from interrelate in a supportive environment.
