### Principal's Report

With only a few weeks of term to go the students and teachers are looking forward to the holidays and a chance to recharge the batteries with family and friends over Christmas. Our teachers are busily writing your children's reports and these will be sent out in Week 9.

### Orientation

We had our last Kindergarten Orientation Day on the 21st November and our new, 11 students enjoyed a morning tea with their buddies and Mums & Dads. Thank you to the P & C parents who volunteered on the day to come and meet and mingle with the new parents, and assist with the buying of uniforms.

### Leadership Speeches

This afternoon I was privileged to hear our 2020 Leadership speeches. Well done to all of our Year 5 and Year 4 candidates. The speeches were of a high quality and I know you will be great next year as our school leaders. Our 2020 Captain and Vice-Captain will be announced on Presentation Day.

### A huge thank you

I would like to take this opportunity to thank our very hard working P & C. This year they have successfully raised thousands of dollars to support the school. As you are all aware the cost of excursions for small groups of students is much higher due to the cost of hiring buses. I am extremely pleased to announce that our own school bus is nearly here and should be ready to use early next week!!!!

It is also the end of an era for three of our P & C parents. My sincere thanks to Susan Gardiner, Melissa Moylan and Katrina Roseworn. Susan has been an active member of the P & C for over 10 years and has shared her experience and expertise with us to ensure we have the best information and knowledge to promote and grow our school. Susan and Tim were instrumental in getting robotics happening at Jilliby Public school. They attend every fundraiser, working bee, celebration and meeting, always willing to go the extra mile to help our school. I'm sure we will see them in the coming years at various events!!

## SCHOOL NEWS

Katrina has been taking care of our uniform shop and doing an amazing job providing parents with both new and second-hand uniforms. She and Carl are always there to lend a hand at our fundraisers and we have been extremely grateful for all they have done for us over the years at Jilliby. We wish them all the best and hope they pop back to visit us now and then!

Melissa and Chris Moylan took on the canteen this year and have done an outstanding job of providing a variety of healthy and delicious foods for our staff and students. They have been wonderful ambassadors for our new parents during Orientation. Melissa successfully organised our NAIDOC Lunch which received positive affirmation from all our visitors. I cannot thank them enough for taking on this position and I wish them safe travels in the coming months.

### 2020 CANTEEN VOLUNTEER

We are looking for a volunteer to run and organise our canteen next year. You are only required to be here one day a week and you can choose which day suits you. If you are interested and can help even a couple of days each term please let Tiana McLaren know from the P & C or contact the office.

### Well done!

One of our students was so upset when he saw the plight of our native wildlife in bushfire areas that he felt he had to do something about it. He organised a Crazy Sock Fundraiser Day and all the children had fun taking part. The students raised \$180 and a local business is matching that sum. \$360 is on its way to FAWNA, a NSW charity that helps all species of native wildlife on the North Coast. Well done Hal!

## Attendance

### Arriving On Time:

The importance of arriving at school and class on time:

- Ensures that students do not miss out on important learning activities scheduled early in the day
- Helps students learn the importance of punctuality and routine
- Give students time to greet their friends before class
- Reduces classroom disruption

Lateness is recorded as a partial absence and must be explained by parents.

**TIP:**

Don't get into arguments: with your child. Kids know how to push your buttons, so instead of ongoing arguments, just say what you need to say and walk away. Tell your child you have made your decision and that it is final. Your child will soon learn that you mean what you say and that arguing will not work. Teenagers are expert arguers!

Don't take things personally: Kids will often use 'words as weapons' especially when they are feeling frustrated. Name calling, muttering under their breath or saying "I don't love you anymore!" can be very common.

## Positive Behaviour for Learning

At Jilliby Public School we foster a whole school culture that promotes safe, engaged and respectful learners. This week staff at Jilliby PS spent the day completing the 3<sup>rd</sup> day of training in PBL. We are looking forward to beginning the implementation of this important program. Keep your eye out for further developments in this space! Our Diamond Badges have arrived and it is wonderful to see our students wearing their badges each day. We are still working on the little rewards and privileges which students get when they wear their diamond Badge. If you have some ideas please feel free to offer them to our teachers.
