PRINCIPAL'S REPORT

With only a few weeks of term to go the students and teachers are looking forward to the holidays. We have Life Education (Healthy Harold) visiting us on Wednesday and all our students will participate in the lessons over the day. If you haven't already returned your note and payment could you please send it as soon as you are able. Our teachers are busily writing your children's reports and these will be sent out in Week 10. While we are trying to support some behaviours in the school which are quite challenging, we appreciate your support of our teachers and the strategies being put in place. Please don't hesitate to speak with teachers or myself if you have any concerns. In week 10 students who have earned their Sapphire Jilliby Jewel Award will enjoy a Pizza Lunch and Drink.

Small School's NAIDOC Day Celebrations

Tuesday 23rd July 2019

This year Jilliby is hosting NAIDOC Day celebrations. There will be five small schools participating on our site and our P&C and Canteen are supporting the day with a BBQ lunch which can be ordered before-hand. Please return your child's lunch order as soon as possible. Lunch Order notes will come home tomorrow. All NAIDOC DAY lunch orders must be received on or before 5th July 2019.

Robotics

Our students have been working very hard on their robots getting ready for Robocup. Unfortunately they were not quite ready for the June competition and we have extended their preparation time to take advantage of the Newcastle Competition. The new date for competition is the 7th August, 2019 (see details below). It appears we will have 3 teams ready for competition.

Hunter Regional Event

Where: University of Newcastle, Callaghan, Forum

When: 7 August 2019, 9am - 2:30pm

SPECTATORS are VERY WELCOMED!

Attendance

Arriving On Time:

The importance of arriving at school and class on time:

- Ensures that students do not miss out on important learning activities scheduled early in the day
- Helps students learn the importance of punctuality and routine
- Gives students time to greet their friends before class
- Reduces classroom disruption

Lateness is recorded as a partial absence and must be explained by parents. If your child arrives at school late without an explanation from a parent/carer an automated text message will be sent out requesting an explanation. Please contact the school if you receive a message about your child's absence.

TIP:

Don't get into arguments with your child: Kids know how to push your buttons, so instead of ongoing arguments, just say what you need to say and walk away. Tell your child you have made your decision and that it is final. Your child will soon learn that you mean what you say and that arguing will not work. Teenagers are expert arguers!

Don't take things personally: Kids will often use 'words as weapons' especially when they are feeling frustrated. Name calling, muttering under their breath or saying "I don't love you anymore!" can be very common.

K/1 CLASS OVERVIEW

K/1 have done some fabulous writing and art this past week from the story 'The Snurtch' by Sean Ferrell. The book explores themes of facing difficult challenges, empathy and understanding differences. They slowly built their story over three days. They came up with their own Snurtch name and why they choose that name, what their Snurtch looks like and how they control their Snurtch. It is so exciting to see the Year 1s using descriptive language and the Kindergarten students have all started writing their own sentences now! Take a look at some of their fabulous work below. If you can't see your child's work below be sure to pop into K/1 and take a look at their work!
