Science Week			Crazy Hair Day	Small School's Athletics Carnival NO Assembly	

## PRINCIPAL'S REPORT

Hello everyone and welcome back to Term 3 at Jilliby Public School. Another exciting and action-packed term is ahead of us and I look forward to seeing you at the many events scheduled for this term. Last week we celebrated NAIDOC Week with the other small schools with whom we are connected. It was a fantastic event with children involved and immersed in so many different activities. Our students conducted themselves beautifully and I am proud of their participation and behaviour throughout the day.

## NAIDOC DAY

## School Athletics Carnival

In week 4, our students will be attending Mingara Recreation Club to participate in the Small School's Athletics Carnival. Students who turn 8 years or older this year are able to participate. Permission notes were sent home last Friday and are also available through the Skoolbag App and the school website.

Jilliby PS were lucky enough to be allowed to run the BBQ on the day. Mrs Docherty and Mrs Garay will be running the BBQ but we need volunteers to help with preparation and serving food. If you can help, even for a short time through the day, it would be greatly appreciated. We have developed an eForm in the skoolbag app so you can easily sign up to help. Go to the Skoolbag App, click on the 'My Schools Services' tab – Jilliby PS LOGO; Select eForms; Click on Athletics Carnival BBQ and type your name in the time slot of your choice. Alternatively you can call or visit the school office to let us know your availability.

## Year 6 Farewell Fundraising

As part of the Year 6 Farewell fundraising we would like to run a range of activities through Term 3. We would like to have an event each fortnight in even weeks and continue to sell ice-blocks in the odd weeks. We appreciate your support in our fundraising.

We would like to have:

Week 2 Wednesday 31st July	Mufti - Favourite Sporting Colours	Gold coin donation
Week 3 Friday 9th August	Ice Blocks	50c
Week 4 Thursday 15th August	Crazy Hair Day	Gold Coin Donation
Week 5 Friday 23rd August	Ice Blocks	50c
Week 6 Thursday 29th August	Cake Stall	All cakes 50c
Week 7 Friday 6th September	Ice Blocks	50c
Week 8	NO EVENT	
Week 9 Friday 20th September	Ice Blocks	50c
Week 10 Thursday 26th September	Sausage Sizzle	Price to be announced

Thank you,  
Year 6 Students

## New LEADERS

Last term we saw two of our leaders leave the school. Their positions were offered to other students with an opportunity to apply for the responsibility of Vice Captain or Minister for Student Wellbeing and Learning. I am pleased to announce that Jaimie was successful in obtaining the role of Vice Captain and Ryan was successful in obtaining the role of Minister for Student Wellbeing and Learning. Our students will be awarded their badges at an Assembly as soon as they arrive.

## Westfield Choir

Students from Jilliby Public School have been invited to perform on the central stage at Westfield Tuggerah during Education Week. Students from Kindergarten to Year 6 have formed a choir for this special occasion and will be performing a song called 'Everyone Belongs' by Glyn Lehmann.

Many other schools from our local area will also be performing on the day. Students will be attending to perform and then return directly to school at the end of their performance. The students are very excited about the performance and look forward to performing for our families, friends and local community.

## Stage 2 & Stage 3 Camps

Stage 2 & Stage 3 Camp are fast approaching!! If you have not yet finished paying for your child's camp there are approximately only 4 weeks left to pay. All money should have been received by the office no later than **FRIDAY 23rd August, 2019**. Please continue to pay amounts up until that date.

Notes for both camps were sent home on Friday. ALL MEDICAL Forms need to be back by tomorrow! (30th July 2019)

Please contact the office if you have any concerns or questions regarding camp.

## Jilliby Public School and Community Fun Day – Saturday 21st September 2019

\*\*\*\*\* EVERYONE IS NEEDED ON THE DAY! \*\*\*\*\*

We really need everyone here on this day to help. We also need your help now by sending in small gifts of toys or items which can be used as prizes for the Chocolate Wheel and Dig for Prize activities. If you own a business and can spare some free time in the form of vouchers these would also go a long way towards helping the school on the day.

Our students will be involved on the day and be required to be there for their performances. Each class is performing!

There will be multiple stall holders with food, drinks, face painting and the best part of all Mrs Docherty's HAUNTED HOUSE!!

Please make sure you set this date aside on your calendar and come along to help. Contact Tiana McLaren (Kalani's Mum in Year 1) if you can spare some time to help on the day.

The money raised at these events goes towards improving the education of every student in our school so it is very much appreciated when everyone pitches in to help.

## REWARDS DAY

At the end of term 2 students used their Jilliby Jewels to buy into a reward at the end of the term. Students were able to buy a Pizza Lunch. The students enjoyed the opportunity to be rewarded for their behaviour throughout the term. At the end of Term 3 we are hoping the students can enjoy an Incursion from somewhere like the Reptile Park or Taronga Zoo. This is yet to be finalised!

## League Tag

Last term students from Stage 2 & 3 went to EDDSAC Oval at Bateau Bay to compete in the NAIDOC League Tag Gala Day. On a chilly day, our students displayed excellent sportsmanship, resilience and skill, playing 7 games in 4 hours. Both boys' & girls' teams did very well on the day winning 3 games, drawing 1 game and losing 3 games.

Well done to all of the students who represented Jilliby PS on the day we are very proud of your efforts!

## Attendance

### When your child is absent from school

It is vital that information regarding why your child has not attended on a particular day is conveyed to the classroom teacher or the office within seven days of the first absence. For example: if a child is away on Monday, Tuesday and Wednesday, the parent needs to advise the school of the reason for that absence by the ensuing Monday or the child is marked absent without explanation. This cannot be changed later even if we are notified.

This year we introduced a system which will send out an SMS notification to parents when their child has not arrived on time or when they are late. So far this system has been well received and although we have had a couple of occasions where the SMS has gone out in error overall it has been a success. \*\*\*\*Please note if your child arrives late without explanation you will receive an SMS to remind you to contact the school and give the explanation. You can then call or email to let us know.

#### GOOD ATTENDANCE TIP:

Develop good routines: Children NEED routine. These habits are a good foundation that will help kids throughout their school life and into the future;

- Get uniforms, school bag and all school things organised the night before
- Go to bed at the SAME, reasonable time each night
- Get up at the SAME time each morning
- Have breakfast at the SAME time each morning
- Leave for school at the SAME time each day (be on time!)

### Education Week Open Day

The school is holding an open day on Friday 9th August as part of our Education Week celebrations. Parents and families are invited to visit the school on this day to enjoy a BYO picnic lunch with the students before touring the classrooms to see the wonderful work that is happening throughout the school.

- 1:00pm -** BYO Picnic lunch
- 1:30pm -** Open classrooms
- 2:15pm -** Long assembly

### Child Protection –Term 3

PDHPE is mandatory for all students in Kindergarten through to Year 10. The K-6 and 7-10 PDHPE syllabuses outline the age appropriate content to meet the learning and support needs of students. Research suggests that, if children can recognise abuse and abusive situations and use protective strategies from their early years, then they will have a greater capacity to take appropriate action if they are in uncomfortable or unsafe situations and keep themselves safe. It is also important students learn about power in relationships and develop the skills to build and maintain relationships that are caring and positive. Balanced child protection education incorporates teaching and learning in three broad themes:

- **Recognising abuse**

Protective skills cannot be used unless children and young people recognise situations of potential abuse or when abuse is occurring. It is important that students develop knowledge and skills, appropriate to their age and stage, about what constitutes abuse.

- **Power in relationships**

When discussing power in relationships, particular attention is given to building confidence in relationships which are positive and caring. Skills in establishing and maintaining positive relationships, including accepted cultural practices related to caring touch, are reinforced.

- **Protective strategies**

With knowledge about positive relationships and about child abuse, children and young people can take appropriate actions if they are in threatening situations. When learning about protective strategies, students are given the opportunity to analyse situations, to identify feelings, and to explore alternative courses of action and their consequences.

Our students will continue to work with their teachers over the coming term in Child Protection Education.

## Safety Research Project – K/1 Class

Jilliby PS has agreed to facilitate a research project to test whether a children's book can convey safety messages. The aim is to determine whether a book has the ability to inform knowledge for safer future behaviour.

### What would my child be required to do?

Your child will be asked to:

1. Complete a drawing and colouring activity and answer a short survey.
2. One week later the test book will be read to them
3. They will be asked to complete the activities again

The research team will not need to know your child's name or personal details. They will only collect information on your child's learning stage, age, gender and whether they come from an English speaking or English as an additional language or dialect background.

NO personal information will be disclosed to the Research Team.

### What happens now?

If you are happy for your child to participate there is nothing you need to do.

If you do not wish your child to participate in the research let our school know.

### Is there any benefit for my child or school?

Your school will receive a copy of the test book to keep.

If you have any questions, please contact Mrs Wales and she will forward them onto the research team.

## P&C News

The next P&C meeting will be held on Tuesday the 6th Aug at 6pm in the staffroom. All parents/carers, family and community members are welcome to attend.

The uniform shop will continue to open on a Tuesday morning instead of Monday mornings during Term 3. The uniform shop times are -

**Tuesday** 9 - 9.30am

**Friday** 2 - Start of Assembly

### JILLIBY JEWEL AWARDS

TERM 3, WEEK 1
